

# Look and See

**Start**

Get a .

Get 6 red squares. Take turns.

**Try**

Toss the cube to see how many birds will fly away.  
Use the red squares to cover those birds.

Say: “\_\_\_\_\_ minus \_\_\_\_\_ equals \_\_\_\_\_.”

Remove the squares. Repeat until each player gets 4 turns.

**Try Again**

Take turns. Tell a separating story about 12 seagulls on a beach. Ask your partner to tell how many are left.
